If you are looking at the school, the cafeteria is to the left- we will have signs to help you!

The girls will be escorted to the gym to enjoy pizza, drink and desert. They will learn a cheer and change into their t-shirt before game time.

Around 6:45 p.m., the girls will head to the field for pictures.

Parents: After you purchase your ticket for the game, you can meet your daughter to take pictures before kick-off. We will have a reserved area for girls and their parents to watch the game!

After kick-off, the girls will need to see a cheer parent volunteer to sign out your daughter and enjoy the rest of the game. You are welcome to stay and enjoy the game in the reserved section especially for them!

We look forward to seeing future Branch Cheerleaders!
